Albanian Festival

Saint Mary's Albanian Orthodox Church Will Be Celebrating Their Festival June 5-6-7, 2009

Worcester, MA March 2, 2009 – One of the oldest and largest festival of its kind returns to Worcester! Come experience Albanian culture at its best.

St. Mary's works hard to preserve our Orthodox tradition as well as maintain the Albanian culture, language and strong community ties. Our proud Albanian heritage will come alive with traditional music and dancing. We will have a fantastic weekend of family fun, homemade ethnic food and entertainment. There will be a children's area with carnival games, activities and prizes for all- even a magician! There will also be a silent auction, flea market, church tours, a traditional coffee house- "Kafene" and our always famous Lamb Shish-Kebab barbeque area!

We want to thank all of our sponsors and those who have helped make the festival a reality for all to enjoy. So come, rain or shine under the big tent with your family and friends and experience Albanian hospitality, warmth and a weekend of traditional celebration!
